25 Hour Race at Goldendale

This year's 24 hour race is at Goldendale by <http://www.overthebarsgang.com/> and will be a 25 hour race. We need to be thinking about a team or teams for this year's race. Last year "PANTRA TOO!" won the Club class and the year before the Stumpjumper won it. This year they say they are coming back to defend their title from the previous year. October 31 – November 1.

Discussion and vote was held at the July meeting whether to sponsor a PANTRA team. The vote was passed with a quorum of 9–3 in favor of. Now's the time to form our PANTRA Team. If you are interested in riding on the PANTRA team, contact Randy Nilles at 509-953-7910 or Lori Jordan at pantratrails@hotmail.com.

EVENT/RIDE REPORTS

PANTRA Annual Summer Picnic

About 30 people came to the picnic on August 12. Ed Schafer was the grill master, smoking up those burgers, while Janet White plumped and blackened a few hot dogs. We had fun with volleyball and just plain old visiting and eating. (What was in that pudding Kathy Schafer brought?? Yumm) There were disc golfers playing nearby and a black and white pup even joined us for dinner....much to Kaylee Nillis' dismay.....he helped himself to her hot dog.

A revolving volleyball game lasted during most of the picnic, with kids and parents alike joining and leaving the game. Don Grome suggested posting the game scores.....oh yeah, no score was kept. Much discussion was had about Tia Flynn's upcoming Demolition Derby at the North Idaho Fair on Sunday August 30. She and Eric got plenty of advice on how to prepare the car. Her car is the yellow bomb, sponsored by Affordable Hearing Aids and Bartman Signs. GO TIA!! Originally the [rewards certificate drawing](#) was to be held at the picnic, but with the small turnout, we figured it would be more fun at the September meeting. EVERYONE COME TO THE SEPTEMBER MEETING.

We hastened to break down the picnic at dusk as thunder and lightening returned. I guess the old thunder god figured we'd had enough fun. Corbin Park was a good place for the picnic, with the large grassy area, shelter and tables, close volleyball court and, most importantly....adult beverages were allowed.... A good time for all. A big thank you to Toni Kaminski for organizing and implementing the picnic. THANK YOU TONI!

August 1 at Canfield
By Larry and Janet White

The Whites hosted a beginner and intermediate ride on August 1 at Canfield. We met new members Rich Foland, Brian Stenson and Dennis Novak at the Nettleton trailhead. The intermediate group started with 10 riders, led by Don Grome and swept by Theo and Tommy White. Chris Wiese, Brian Stenson, Rich Foland, Dennis Novak, Joe Showen, Daryl Tachell, Terry Switzer, Don, Theo and Tommy started the ride. Lee Steiner joined after the riders left.

The beginners, Toni Kaminski, Jonathon Wiese, Angela and Michael Wiese on the 4 wheeler, and Janet White, led by Larry went up Rd 1562, stopped to view Hayden Lake, and went down Trail 7 for the first rendezvous with the intermediates. Toni and Janet went to the cell towers after the Hayden viewing then back to set up for lunch.

The riders made it to Spades Mountain and back. It was a great day for fun and we enjoyed meeting some new members and riding with everyone. Thanks to everyone and especially Don Grome for leading, Tommy White and Theo White for sweeping, Terry Switzer for staying to cleanup and to Janet for the cookout.
